LIMITED WARRANTY

Augusta Engine Parts warrants engines/parts furnished by Augusta Engine Parts, Inc. pursuant to this agreement to be free from defects in material and workmanship for a period of 30 days from date of sale or for extended periods on specified engines as listed below:

PASSENGER CAR ENGINES (EXCLUDES HIGH PERFORMANCE/RACING APPL)

6 months or 6,000 miles

COMMERCIAL USE, TRUCK, MARINE, MILITARY AND INDUSTRIAL ENGINES

12 months or 12,000 miles

The obligation of Augusta Engine Parts under this warranty is limited to repairing or replacing engines/parts which were furnished by Augusta Engine Parts, Inc. and shall have been returned to Augusta Engine Parts, and which examination is disclosed to the satisfaction of Augusta Engine Parts to be defective in material or workmanship. Engines and/or engine components produced by Augusta Engine Parts, Inc. wherein the components used in the assembly of the engines or components are furnished by the customer and not purchased from Augusta Engine Parts, Inc. are excluded from any type of warranty coverage. Further, high-performance, racing, or otherwise modified engines custom built for exceeding OEM standard performance are excluded from any warranty coverage.

Augusta Engine Parts will pay a labor allowance for repair, removal or replacement of engines to be performed by licensed and approved ASE certified technicians only. Such repair or replacement of any engine/parts shall not extend this warranty beyond the original warranty coverage stated herein.

The warranty does not obligate Augusta Engine Parts to bear the cost of labor or transportation charges in connection with the replacement or repair of defective engine/parts, nor shall it apply to engines/parts upon which repairs /alterations have been made unless without prior authorization from Augusta Engine Parts.

There is absolutely no warrant on any broken crankshafts, whether sold as a crank kit or as part of an engine. Augusta Engine Parts warrants that the engine/parts supplied hereunder will conform to the description herein stated: that it will convey good title thereto, free of all liens of any kind whatsoever unknown to the buyer; and that such engine/parts will be of merchantable quality. This is the sole warranty of Augusta Engine Parts with respect to engines/parts; Augusta Engine Parts makes no other warranty of any kind whatsoever, express or implied; and all implied warranties of merchantability and fitness for a particular purpose which exceeds the aforementioned obligations are hereby disclaimed by Augusta Engine Parts and excluded from this agreement.

Under no circumstances shall Augusta Engine Parts be liable to buyer, or any person claiming through the buyer, for any indirect, special or consequential loss or damage arising directly or indirectly out of performance of this agreement including, but not limited to, loss of use, loss of profit or business interruption, whether caused by negligence of Augusta Engine Parts or otherwise.
